## Welcome

Welcome you to Newton College (NC).

At NC you will meet your trainers who are academics with the current industry-relevant experience to teach and train you applied or essential skills for the labour market, which includes the balance between theory and practice.

Whenever you need support in your studying with us or in your living in Australia, all our staff at NC will be very happy to help. You can have easy access to the Student Services Officers on campus or via email. When you feel struggling with your study, you can meet our Student Welfare Officer, Learning adviser or English Help Officer.

Good luck with your study at NC.

## Our campuses

### Melbourne campus

Newton College's Melbourne campuses (Queen Street Campus and Lonsdale Street Campus) are situated in the heart of Melbourne, in the central business district (CBD), within walking distance to the worldwide travel attraction like Parliament, Flinders Street Railway Station, Melbourne Central, etc. Flinders Street railway station is a railway station on the corner of Flinders and Swanston Streets in Melbourne, Australia. It serves the entire metropolitan rail network. Backing onto the city reach of the Yarra River in the heart of the city, the complex covers two whole city blocks and extends from Swanston Street to Lonsdale Street and Swanston Street to Queen Street. This means students will undertake their face-to-face training next to some of the Australia's best hospitality and tourism operations.

### Brisbane campus

Newton College's Brisbane campus is in Greenslopes, which is only 5 kilometres from the Brisbane CBD. Brisbane is only an hour's drive from the world-famous Gold Coast and its surf beaches and theme parks to the south and the picturesque and lush Sunshine Coast and its golden beaches to the north. NC facilities boast modern classrooms and computer labs, as well as other training facilities that are ideal for you to gain the most out of your study.

## Student Responsibilities and Expectations

It is your responsibility to maintain integrity, work hard and treat others with courtesy and respect.

This includes:

- Providing fair and honest feedback on training performance and on the content and presentation of courses.
- Paying all Newton tuition fees and charges for which you are liable, by the set deadlines.
- Providing accurate and updated contact details (phone number and email address).
- Checking your email regularly throughout the course. This is the primary means by which the College correspond with you (e.g. course progress, assessment results, outstanding fees).
- Replying in a timely manner to all NC trainer and administrative communications to you, including emails, phone calls and text messages.
- To be eligible for Newton to issue the qualification, you must successfully complete all the assessment requirements of the course.

## Qualification Pathways

Vocational Education & Training (VET) qualifications are aligned to the Australian Qualifications Framework (AQF), which is the framework for all qualifications in Australia across the school, VET and Higher Education sectors. One of the key objectives of the AQF is to facilitate pathways to, and through, formal qualifications.

AQF qualifications link with each other in a range of learning pathways between schools, VET providers and providers of higher education. The AQF provides for flexible, transparent and systematic learning pathways and for the removal of boundaries between educational sectors.

## Foundation Skills & LLN Test

Foundation skills are the combination of two frameworks:

- The Australian Core Skills Framework (ACSF) which includes English language, literacy and numeracy skills, learning and communication skills; and
- The Core Skills for Work Framework that includes non-technical skills, knowledge and understandings that underpin successful participation in work. These skills are often referred to as employability or generic skills. They include skills such as problem solving, collaboration, self-management, communication and information technology skills, and skills for work required for participation in work, the community and education and training.

Foundation skills are incorporated into all competency-based training programs and you need to demonstrate competency in these as well as your technical competencies.

All new students to the NC are required to take the LLN (language, literacy and numeracy test) as part of the orientation program. Based on the LLN test results, student study gaps will be diagnosed and on-campus

## Certification

### Qualification

A qualification is issued when the student has completed all requirements as listed in the course information. The qualification certificate does not list the modules or units of competency completed (these are listed on the Academic Transcript).

### Academic Transcript

The Academic Transcript is a full record of all of the units of competence, which comprise the training program. It provides a listing of your assessment results for each unit of competency.

The following results are used to record Unit outcomes on the Academic Transcript:

- **Competent:** The student has demonstrated competency in all learning outcomes for that unit, either through a learning or recognition pathway.
- **Not Competent:** The student has been assessed and has not demonstrated competency in all of the learning outcomes for an individual unit.
- **Withdrawn:** The student has withdrawn after one quarter of the way through the unit and has not completed all required learning outcomes.
- **Exempt:** The student has been granted a credit transfer from studying the unit due to previous study.
- **Competent via RPL:** the student has demonstrated competency via a Recognition Process.

## Statement of Attainment

A Statement of Attainment is issued when candidates have partially completed the qualification. This may be done in two ways:

- The student is not competent in all units of competence required for the full qualification, or
- A package of units has been delivered from an accredited and registered program.

The code and title of all units successfully completed by the student are listed on the Statement of Attainment.

*Note: If course fees have not been paid, then no qualification, Academic Transcript or Statement of Attainment will be issued until receipt of fees.*

### Harassment

NC is committed to providing a safe, healthy and family and community focused working environment for all employees, contractors and visitors. NC will not tolerate any form of harassment within the

organisation under any circumstance. NC will investigate any allegation in a fair, confidential and timely manner and take necessary disciplinary action against any employee found to be breaching this policy.

Harassment is offensive, belittling or threatening behaviour directed at an individual or group. Harassment is behaviour that is unwelcome, unsolicited, usually unreciprocated and usually (but not always) repeated. Harassment is often focused on sex, cultural or racial background or disability of the individual or group.

For harassment to occur there does not have to be an intention to offend or harass. Individual incidents may seem too trivial to warrant attention, or the person subjected to harassment may seem unaffected. Where the behaviour continues over a period and it is not addressed, however, such behaviour can undermine the standard of conduct.

Examples of harassing behaviour include:

- Offensive physical contact, derogatory language or intimidating actions,
- Insulting or threatening gestures or language (overt or implied) or continual or unwarranted shouting,
- Openly displaying pictures, posters, graffiti or written materials which might be offensive to some,
- Phone calls or messages on electronic mail or computer networks which are threatening, abusive or offensive to students/staff, or
- Sexual harassment, which can consist of any or all the following:
  - Unwelcome comments about a person's sex life or physical appearance,
  - Suggestive behaviour such as leering or ogling,
  - Unnecessary familiarity such as deliberately brushing up against a person,
  - Sexual jokes, offensive telephone calls, photographs, reading matter or objects,
  - Sexual propositions or continual requests for dates,
  - Physical contact such as touching or fondling, or
  - Indecent assault or rape (which is a criminal offence).

It is the responsibility of each person to recognise and respect the boundaries set by others. It is important to talk to a trainer or other appropriate person if you feel you are being harassed.

## **Access and Equity**

NC is committed to ensuring its training and courses are responsive to the diverse needs of all clients. NC will comply with the principles of access and equity and aims to ensure that no course participant or potential participant should be disadvantaged or discriminated against based on race, sex, age, pregnancy, religion, marital status, sexuality, or physical or intellectual impairment.

## **Occupational Health and Safety**

Under the Victorian Occupational Health and Safety Act 2004 Newton exercises its duty of care towards students, to achieve a healthy, low risk and quality-working environment. To meet this responsibility Newton will:

Plagiarism is considered one of the most serious breaches of academic honesty and will result in serious penalties. Plagiarism is the use of another person's thoughts and/or intellectual property without appropriate acknowledgment or reference. Plagiarism includes:

- Submitting, as one's own, an assessment that another person has completed
- Using information, text, artwork, graphics or other material from any source including the Internet and presenting it as one's own without acknowledgment
